Indice delle tavole

Un ouvrage comme ce premier volume du *Lexicon Iconographicum Mythologiae Classicae*, où l'illustration joue un rôle d'une importance capitale, n'aurait pu être réalisé sans l'aide précieuse et la patience inlassable des directeurs des différents services ou départements des antiquités, des directeurs des circonscriptions archéologiques (éphories, surintendances, etc.), des conservateurs des musées et des collections, des collectionneurs et de nombreux collègues qui ont bien voulu nous procurer des images, le plus souvent de grande qualité, en un temps fort restreint. Nous avons dû user largement, et même abuser, de leur bienveillance, et tenons ici à leur exprimer notre reconnaissance la plus vive.

De plus, leur générosité a permis de donner à notre ouvrage une illustration à la richesse de laquelle nous n'aurions pu autrement prétendre: en effet, tous les musées, toutes les directions, à de très rares exceptions près, ont renoncé à leurs droits de reproduction, et beaucoup ont même tenu à nous offrir gratuitement les photographies demandées. Il est impossible de les

nommer tous ici sans risquer d'en oublier, comme il est impossible de nommer ceux des collectionneurs ou de nos collègues qui nous ont envoyé gracieusement des photographies. Chaque institution, chaque savant ainsi apporté sa contribution à cette œuvre essentiellement internationale qui repose tout entière sur un travail collectif.

LILLY KAHIL
Secrétaire général du
Lexicon Iconographicum Mythologiae Classicae

*

Note. Afin de limiter les erreurs dans toute la mesure du possible, nous avons cité en allemand, anglais, français ou italien les musées des pays qui utilisent ces langues; les noms des autres villes et musées ont été traduits en français.
